The **12th annual Fargo Holistic Expo** is an inspired event, an emporium of gifts, products and information — featuring over 65 Exhibitors including health and wellness providers, Keynote Speakers, dozens of Free Workshops, 12 intuitive consultants, Specialty gift products, art, crystals and stones, spirituality resources, and more.

Keynote Speakers are: Healer **Dr. John Schellenberg**, speaking on “Happiness – It’s Only One Decision Away”; Psychic Medium **Jurema Silva**, speaking on “Connecting with your Spirit Guides”; Pleiadian Ambassador **Christine Day**, speaking Saturday on “What is Taking Place Energetically on the Planet?” and presenting a Monday Workshop on “Reunion Within Your Multidimensional Heart”; Military Medium **Dean McMurray**, presenting a Psychic Gallery (Mediumship readings); and Intuitive **Chanda Parkinson**, speaking on “The Awakened Life: A Transformational Conversation.”

Gary Beckman

A MESSAGE FROM THE PRODUCER

“The energies of this planet have ramped up to sustain the evolution of the very young race we call human beings. We like to resolve disagreements with force. But we have arrived at the Reckoning, a crucial time of change, a time in which human consciousness will transcend its current state. We present to you in April an event that will offer you tools to wade through this craziness and step into our new paradigm of existence.”
